My dear Phelps

Thank you for the Magazines
I fancy the article you mention was not
written by our dear friend Mrs Tiffet.
I have also received your photograph
for which I thank you most warmly.
I am only sorry that I cant send you one
in return, it may appear strange, that
in this city of photographers we have not
one of any of the family. The first we
have made I will send you one.

I have two fine busts of the daughters
of my Brother George, one of Ella, and the
other of Fanny Fred. I promised my
portrait to the latter, but unhappily before
any one John had finished it she died, and
sent it to your Uncle Fred in New
York, but I am not aware that he ever
received it, as I heard no more about it

I am glad to hear that he is Editor of one of the first American Magazines, it must be an advantageous position for him.

Have the goodness to felicitate my nieces & Nephews upon the birth of their twins. Kiss them for me, and that God may bestow upon them health and prosperity prosperity is your sincere wish.

I am happy to say that Elena has regained her health, and has just finished painting a fine tapestry for a large salon copies of Teniers, and is now beginning two or three pictures for Montevideo. She is a real artist, and is an honor to the family. With an affectionate remembrance to you, and kindest regards to all the family. Believe me to remain

Your affectionate Aunt

Sir,

In answer to your letter of the 6th I am sorry to say I cannot give you any information respecting the names of the persons mentioned in my dear Brother's letter; but I am quite convinced that the lady alluded to then, was not Miss Brown, she not being an East Indian, nor having a Grandfather living at that time.

Will you have the goodness to remember me very kindly to Miss Linden, and tell her how glad I should be to hear news of her dear Margaret. I remain Sir
Yours sincerely. Fanny Kate de Lamas
